

## L2 Solar Torch with Mobile Charger

Presenting Belifals new low cost lighting gadget, the Solar Lantern is powered from innovative solar technology and is the ultimate cost saving solution designed specially to give bright light for long hours. It is a perfect fit for indoor and outdoor lighting conditions.

Solar Lantern is a revolutionary new device that harnesses power from the sun. Simple and robust in its design, it is permanent replacement for paraffin and kerosene lamps thereby creating a smoke free environment for all and also has the power to charge mobile phones.

### Benefits:

- **Battery Charging** : charged between 6 to 8 hours.
- **Light output** : Bright light for 8-9 hours in single day.
- **No electricity bill** to pay and no installation cost.
- 15 to 20 times **brighter** than kerosene lamp.
- Near **zero heat**, no smoke.
- **1-Year** Carry in **Warranty**.
- **Piranha LEDs** which provide super bright light.
- Can be charged even during **monsoon** when there is less sunlight.

### Specifications:

#### Lantern:

- **No. of LEDs** in lantern: **30**
- **Color** : **White**
- **Dimensions** [Length x Height x Width in cm] : **23 x 14 x 5**
- **Weight** : **1100gm**

#### Solar Panel:

- **Maximum Power Pm [Wp]** = **3W**
- **Dimensions**[in cm] (Length x Breadth x Width) : **13 x 18.5 x 1.6**
- **Maximum Power Voltage** : **6V**
- **Maximum Power Current** : **0.25A**
- **Weight** : **750gm (with 5m wire)**

### Applications:

- **The lantern can be used by the house wife for cooking**
- **Students in rural areas for studying at night**
- **Mobile charging during emergency through USB**
- **Τρεκκινγ ανδ εδυχατιοναλ τριποσ ιν ρεμοτε αρεασ**
